Sir:

This petition is submitted in response to the Notice to File Missing Parts in the above-referenced case dated April 29, 2005. The Notice indicates that the oath/declaration of the inventors is missing and also requires payment of a \$130 surcharge.

There are three joint inventors in this case: John Bingham, Robert McQuire, and John Sampson. Two of the inventors, Robert McQuire and John Sampson, have each executed an inventor's declaration.
